Forthcoming diploma recipient with one years experience in web design and development, with a creative fire and passion for high quality outcomes. I am an ambitious, career-focused job seeker, excited to obtain an entry-level front-end developer position to help launch my career and gain invaluable industry experience while achieving company goals.

## Work History

2020-02 - 2021-01

### Service Coordinator

*Aotea Electric Auckland, North Shore, Auckland*

- Maintained effective customer service by responding to service requests quickly to increase overall weekly jobs by 20%.
- Quickly learnt and navigated a complex business management system to manage 15 employees, including some payroll and client account responsibilities.
- Maintained critical company and client data on a week by week basis.
- Employed personal systems to optimize team processes and increase overall efficiency.

2015-01 - 2020-01

### Trade Team Member

*Bunnings Warehouse, North Shore, Auckland*

- Contributed to team success by completing jobs quickly and accurately.
- Trained new team members by relaying information on company procedures and safety requirements.
- Maintained productive, efficient approach to all tasks.
- Managed Trade Customer accounts with keen eye to detail.

## Education

2021-01 - 2021-12

### Diploma: Web And UX Design

*Yoobee College - Auckland, New Zealand*

- Currently completing my Level 6 Diploma in Web and UX Design.
